Christmas Dinner!

CHRISTMAS! Our thoughts go back to childhood days in the old home. There Christmas was associated with turkey and cranberries, with plum pudding, mince pie, nuts, raisins, and mother's other dainty delicacies. Our happiness was contagious as we sat down to the feast, and it reflected in the eyes of our elders.

Our Children appreciate Christmas just as we did. Their eyes will sparkle and their lips smack at the sight of the plump brown turkey—and right on to the dessert they will look wide-eyed at the goodies placed before them.

Years ago, plum pudding was the dessert for this celebrated feast. Today, ice cream has taken its place. Therein lies the only difference. The Christmas spirit will be ever the same.

WE'VE prepared something extra nice for your Christmas dinner this year—a delicious two-flavored brick of ice cream—tutti-frutti and pistachio. You'll surely like this combination—the colors, red and green, are just the thing for Christmas-time—and the flavors just simply couldn't be better. But a special treat like this takes lots of time to make up, so please order Friday.

OF course, we have our regular ice creams the same as usual—and we've added a few more flavors. Here's the list:—Cranberry Ice, Tutti Frutti, Chocolate, Pistachio, Maplenut and Vanilla.

Possibly you will prefer some of these to the flavors in our special brick. If so, we'll be glad to make up a two or three-flavor brick—especially for you.

AND NOW we wish to extend the Compliments of the Season to our many friends and customers. We thank you, one and all, for your business. We appreciate your trade, and hope to retain it during the coming years.

May you enjoy a very merry Christmas and a most happy New Year is our sincere wish.
